

# Primary Physical Education and Sport Premium Funding Action Plan

Kingsfield First School 2019-2020

## What is the PE and Sports Premium Funding?

The government is providing funding of over £450 million per annum for academic years 2013-2020 to provide new, substantial primary school sport funding. This funding is being jointly provided by the Departments for education, Health and Culture, Media and Sport and will see money going directly to primary school head teachers to spend on improving the quality of sport and PE for all their children.

The sport funding can only be spent on sport and PE provision in schools.

### **Purpose of funding**

Schools have to spend the sport funding on improving provision of PE and sport but they will have the freedom to choose how they do this.

The vision for the Primary PE and Sport Premium: **ALL** pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport

The funding has been provided to ensure impact against the following **OBJECTIVE**: To achieve self-sustaining improvement in the quality of PE and sport in primary schools. It is important to emphasise that the focus of spending must lead to long lasting impact against the vision that will live on well beyond the Primary PE and Sport Premium funding.

**It is expected that schools will see an improvement against the following 5 key indicators:**

**Key Indicator 1: the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school**

**Key Indicator 2: the profile of PE and sport is raised across the school as a tool for whole-school improvement**

**Key Indicator 3: increased confidence, knowledge and skills of all staff in teaching PE and sport**

**Key Indicator 4: broader experience of a range of sports and activities offered to all pupils**

**Key Indicator 5: increased participation in competitive sport**

Here at Kingsfield First School we value the difference physical education and sport can have on children's lives and we work hard to embrace all the opportunities we can to give pupils access to as many sporting experiences as possible. In addition to this we advocate and use the outdoor environment as much as possible to add value to the curriculum our pupils receive.

**KINGSFIELD FIRST SCHOOL**  
**Primary Physical Education and Sport Funding Action Plan**  
**2019-2020**

**Amount of Grant Received – Year:- 2019-2020    £17,800**

Area of Focus	Evidence of need (Why we are doing it)	Action Plan	Who	Time Scale	Funding Breakdown	Impact and Evidence record
<b>Curriculum Key Indicator 1</b>						
	Increase children's 60 minutes of physical activity	Bee active to come and set up weekly mile run	KP and bee active	Aut 19	£250	<p><b>Increase pupil engagement and involvement in activities within the school day.</b></p> <p>November update – Bee Active contacted and Booked in for sports week</p> <p>March update – completed, children know the track, are enthusiastic about completing it and are beginning to complete it every week.</p>
