Parking

We ask all parents to please park sensibly and within the law when dropping off and collecting children from school. **No-one** should park on the Zig-Zag lines outside of school nor on the corners of the road opposite. This poses a potential threat to the safety of our children, and number plates will be recorded and passed to the relevant authorities. Please also be mindful of not parking in a manner which prevents the crossing lady from safely crossing our children, or across local residents driveways. Thank you.

Attendance

There has been a change to the legislation regarding Attendance and Lateness which came in to force 1st January. A letter was sent out at the beginning of last term and will again go out next week, however please note that attendance and lateness now has to be monitored more closely. From January an absence of 10 unauthorised sessions (5 school days) can trigger an enquiry from the local authority and in some instances could lead to each parent being fined. This does not mean an absence of a single week, it could be 5 individual days over a term. Unauthorised absence does not only apply to holidays taken, it also refers to days taken when the school has not been informed of a reason for absence, so it is imperative that you call the school sometime during the day (ideally in the morning) when your child is off due to illness. Lateness is also being monitored more closely and dealt with more harshly. Ten late marks in a term could result in a fine from the local authority. Please ensure where possible children arrive to school before the gates close at 8.55am. Obviously we appreciate that sometimes children have appointments first thing and these are logged accordingly, however you may be asked to provide evidence of an appointment for the school records. If you have any queries regarding this new legislation please call in to the school office.

Theme of the Week

I can read my school reading book at least 3 times a week. I'll try for 5!

Parentpay

Parents are reminded that there must not be more than £20 owing across ALL parentpay accounts for each child. The majority of our parents do keep within the £20 limit, however outstanding debt at the school is monitored closely by our Senior Leadership Team and Governors and facilities will be withdrawn for those parents who do not settle payments or agree repayments plans with the school. If you are unsure of the policy, details can be obtained from the school office. Thank you.
