<p><b>Cultural</b></p>	<p>Explore Religious stories and teachings about the environment and identify their impact on behaviour  Children to explore jewish festival of Sukkoth. Children to create a diary entry of a Jewish believer about how it helped them to feel closer to God.  Name and locate the countries of Europe and identify their main physical and human characteristics. Explain own views about locations, giving reasons. Comparing England to America (North and South). Where would your preferred place be to live? Why? Give opinions and reasons. Research.  Use a range of resources to identify the key physical and human features of a location. Looking and different physical features of the habitats, have the human-made features made an impact? Is it a positive or negative impact? Why? Etc.  Use maps, atlases, globes and digital/computer mapping to locate countries and describe features.  Children are to locate and describe Australia, America and England.  Parent engagement day  Assembly visitors  Class vote for school council rep</p>	<p>Investigate the importance for believers of ceremonies in which special moment in the life cycle are marked.  Children to look at Christenings and why they are important, creating an invitation.  Children to look at Bar Mitzvah and compare and contrast to christenings.  Children to explore how special events are held in different places they are held in  Children to look at how schools and this school have changed over time. How not many Romans went to school, what were the schools like? Who went to school?  Similarities and differences between then and now. Use appropriate historical vocabulary to communicate, including: dates, time period, era, change, chronology. Children will place important dates from Roman History onto a timeline. Use dates and the terms chronological order.  Use more than one source of evidence for historical enquiry in order to gain a more accurate understanding of history. Visit to a museum/ Chester to examine Roman artefacts.  Use literacy, numeracy and computing skills to a good standard in order to communicate information about the past. Children will present facts about what they have learnt about Romans in a variety of ways- fact pages, posters, booklets, word processed articles, comic life, power point presentations to show what the children have learnt  Suggest causes and consequences of some of the main events and changes in history. Discuss why the Roman's invaded other countries and the reasons for this. What impact did this have? What was the Roman's legacy? E.g. roads, buildings, democracy.  Describe different accounts of a historical event, explaining some of the reasons why the accounts may differ.  Christmas performance  Assembly visitors</p>	<p><b>Faith and focus week</b>  <b>LENT</b> : Engage with a variety of people about their beliefs and values and ask questions about the way commitment affects their lives.  Sustainable energy.  Children are to locate sustainable energy farms. Watch digital clips/observe photographic sources of a range of sustainable energy sources: tidal power, solar energy, wind energy. To ask and answer questions about the physical and human characteristics of sustainable energy.  Parent engagement day  Assembly visitors</p>	<p><b>Judaism</b> - Research some key events in the development of religious tradition and explain the impact on believers.  Assembly visitors</p>	<p><b>Christianity and Judaism</b>- Identify some of the ways in which religions name and describe attributes of God and makes links with belief and practice.   Use evidence to ask questions and find answers to questions about the past. Victorian inventors- James Bateman, James Brindley.   Describe changes that have happened in the locality of the school throughout history. Children are to look at the local history, settlements, canals, silk and mining. Use dates and terms to describe events.   Describe the characteristic features of the past, including ideas, beliefs, attitudes and experiences of men, women and children. Children are to research Famous Victorians. Compare their attitudes, beliefs and way of life to ours today.   Understand the concept of change over time, representing this, along with evidence, on a time line.   Parent engagement day</p>	<p><b>Christianity and Judaism</b> - Identify the main features and patterns of an act of worship and talk about the importance of worship for believers.   Place events, artefacts and historical figures on a time line using dates. Look at the development of water systems by the Romans e.g. Aquaducts.   Discuss the need for and development of sewage and water systems by the Victorians.</p>
