

Year Group: Reception

Topic: 321 Blast off!

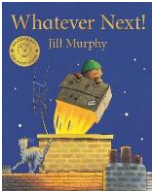

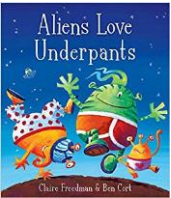

Term: Spring 1

Set Menu: daily reading & sticker charts

We will be looking for children to be reading at home with their parents. Listening to children read will enable them to grow in confidence as they become fluent readers. We want to promote a love of books!

Added Extras:

We will encourage your child to complete as many of the activities from the menu as they like at home, but NO LESS than 3 over the half term, This can be recorded (if appropriate) in our homework books. We will ask for homework books in during the last week of each half term in order for us to share and celebrate this learning.

Read it	Research it	Design it
<p>Can you read a space story at home? (YouTube or book)</p> <div style="display: flex; justify-content: space-around; align-items: center;">   </div>	<p>Can you research 10 amazing facts about space and put them in your homework book?</p> <p>Can you research who was the first man to land on the moon and draw or write about it in your homework book?</p> <div style="text-align: center;">  </div>	<p>Can design your own space vehicle in your homework book? What would it be used for? What would it look like?</p> <div style="text-align: right;">  </div>
Practise it	Write it	Make it
<p>Can you practise writing your numbers to 20? Can you practice writing your full name?</p> <div style="text-align: center;">  </div>	<p>Can you draw or write about a rocket? Draw your own in your book or print one off the computer to write about?</p> <p>Can you write a list of things you would take to space?</p> <div style="text-align: right;">  </div>	<p>Can you make a space model? (Vehicle or planet etc..) Can you paint a space scene using the right colours?</p> <div style="text-align: right;">  </div>
