Easter

Home Learning Challenge

People often celebrate Easter by eating chocolate or buns and cakes. Try making a sweet treat to share with your family. We would love to see a photo or picture of any treats you make!

Try making a model basket to hold some Easter treats! You could use an empty cardboard box and decorate it with paints or colourful Easter pictures.

Egg starts with the letter 'e' – what else starts with the letter 'e'? Write a list of other things that start with the letter 'e'. How many things can you think of?

At Easter time lots of flowers start growing in the ground and on trees. Go for a walk around a park or garden and see what flowers and plants you can see growing.

Draw or paint an Easter picture – you could draw some Easter eggs, flowers, chicks or even the Easter bunny!

If there are 10 eggs in a basket and then 5 get eaten, how many would be left in the basket? You could use your fingers or draw a picture to help you.

Sound Mat -

a 	b 	c 	d 	e 	f 	g
