

What makes a good Artist at Kingsfield?

To be able to develop a broad knowledge and understanding of a range of famous artists, crafts makers and designers.

To be able to draw confidently and adventurously from observation, memory and imagination.

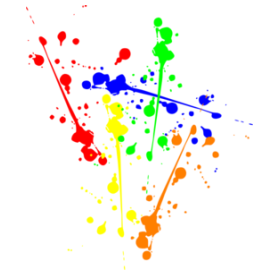

To be able to reflect, talk about and improve their own work and that of others.

To be able to develop knowledge and understanding of shape, pattern, colour, texture and form to express emotions and individuality.

To be able to develop independence, initiative and originality which they can use to develop their own and others creativity.

To show a passion and enjoyment for Artwork.

Intent

To develop children's experiences of Art, imagining, creating and exploring through different mediums.

To be able to select and use materials and techniques skilfully and inventively that are fit for purpose.
