Task 2- Can you order the days of the week Task 3 - Can you explore number 15 on ten town.</p>

The world

Research the butterfly cycle and recreate it some way. Draw it, paint it, create it.

Physical development/ Handwriting

Task 1 -Cosmic Yoga - The very hungry caterpillar
<https://www.youtube.com/watch?v=xhWDiQRrCIY>

Task 2 - Practise writing the days of the week in our pre cursive handwriting. See below for an image to print or copy from the screen.

Other

Try some of the fruits mentioned in the story. Which one is your favourite? You could try some pears, strawberries, oranges, plums, watermelon. What other fruit could you try that the hungry caterpillar would like to eat? Can you record what you try? See the idea below how you could sort out the foods you like and the ones you don't like.

EXT- label or write a sentence or two about what you enjoyed. You could even record yourself talking about your favourites.

Creative

Draw, paint or make a caterpillar or butterfly. What colours do you need? What different parts do you need to include? What materials do you need if you are making one? See the craft ideas below.
