Dear Parents/Carers,

I hope you are all safe and well.

We are now busy preparing our rooms, resources and curriculum for a full return in September.

We are all keen to hit the ground running both safely and in line with government guidance.

Unless we return to some kind of lockdown we will welcome you all back in September.

Following guidance issued on Thursday 2nd we are formulating a safe return to school plan for all pupils that will include staggered start and pick up times. Once plans are confirmed we will share this information with you.

Just a few things I can confirm to help you to prepare: your child will need to return wearing a full school uniform. We will be requesting pupils do not bring a school bag and pencil case into school just to reduce the amount of equipment coming in and out. Packed lunches will be able to be brought in, in a plastic bag. Thank you for your full co-operation at the challenging times.
