End of half-term

Dear Parents,

I would just like to say a huge thank you to all families, it has been a half-term that we have never experienced before and we are certainly looking forward to getting back to something that resembles normality. In the meanwhile, will aim to offer the learning after the half term in the same manner in which you have been receiving it, teachers are certainly getting a dab hand at the videoing and there are far fewer outtakes than when this all started!

Parents who requested, will have received a phone call from teachers yesterday, we hope you found this and the ongoing lines of communication helpful. Many of the lovely messages teachers have received from both parents of remote learners and school attenders have been shared with me - thank you.

I do not underestimate how difficult this half-term has been for both Kingsfield families and staff and I hope everyone can enjoy a well deserved rest. With that in mind, I have directed that all chat and email notifications are turned off until Monday 22nd February. Until then, have a very safe and quiet half term.

Many thanks, Mrs Butler

Covid Update

Please can you be aware of the following procedures regarding the reporting of any positive COVID cases over the Feb half-term holiday

If your child tests positive over the half-term break you must let us know as the school will be required to assist in identifying close contacts and advising others about self-isolation, this is because your child may have been infectious whilst in school.

Therefore, we will remain on call and will be monitoring our emails regularly and ask you to let us know as soon as a positive result is confirmed. You can do this by using the email address covid@kingsfield.staffs.sch.uk

Reminders

Please remember to send your child's Home-School Links book in with them on the day's they are in school.

A reminder to email admin@kingsfield.staffs.sch.uk weekly with your care requirements for the following week. It is extremely important to book ahead and give good notice. You can only attend if booked in and will be marked absent if a booked in session is not attended. Please **ONLY** book when required else you will block a space for another child.

E-Safety

With current circumstances there has never been a better time to get clued up on E-Safety!

This week the children have fully engaged with Safer Internet Day and there is a wealth of information on the school website to support parents and pupils.

Please follow the link: <http://kingsfield.staffs.sch.uk/e-safety/>

Resources

If you require any additional resources we can help out with...

- Stationary
- Devices
- Free mobile data
- Exercise books

School Uniform

In line with our risk assessment there is increased ventilation in the classrooms.

You are welcome to send your child in with extra layers on as it can get cool throughout the day.
