Reception Height and Weight Checks

As in previous years the Families' Health and Wellbeing (0-19) service has been commissioned by Staffordshire County Council to deliver the National Child Measurement Programme.

We have arranged for members of the Families' Health and Wellbeing team to visit the school on **Tuesday 3rd May** to complete the height and weight measurements on your child's class. The checks will be carried out sensitively and in a COVID-safe way, in line with the school and local authority's safety control measures.

If you wish to opt out of these checks then please contact the school office.

All information can be found on the school website - <http://kingsfield.staffs.sch.uk/reception-height-and-weight-checks-information/>

The Reception Health Questionnaire can also be found on the school website for you to complete - <http://kingsfield.staffs.sch.uk/reception-health-questionnaire/>
