## Lines of Communication

Now that normality has returned and all the previously Covid related restrictions have been removed, I strongly encourage you to utilise the Teacher Drop-in session after school if you have any matters to discuss. The reason for these drop ins, are to ensure you have an opportunity to talk to the teacher about a matter that needs discussion. Teams has previously been a method to contact teachers and was introduced to provide the remote learning during lock down, this line of communication has now come to an end and teachers will no longer be accessing their Teams accounts.

It is much better to talk face to face, this reduces any misinterpretation in emails and is much more personable. Of course if there is an urgent matter, please contact the office or if you use the after school Kool Kids club and cannot make the times indicated below, please contact the school and we will arrange an alternative more convenient time or a telephone call.
