### PTFA - Calling All Volunteers!

On Friday 17th June we will be holding our Summer Fayre after school.

To prepare for this event we are looking for volunteers to run stalls on the day and also to prepare for the event prior to it taking place.

If you can spare some time on Monday 13th June to come into school please let the school office know.

### Things to do during half-term to help

Children to prepare a jar filled with goodies, such as sweets, stationary, hair accessories, small toys etc. These will then create jar raffle stall for the fayre.

### Donations

Any donations of party bags would be gratefully received for the hook-a-bag stall.

If children would like to donate any teddies for the teddy raffle stall, we will be sure to find them a new home.

### School Council

*At this week's school council meeting, we discussed how we could introduce some whole school activities now that it is safer at school to mix. We all loved the idea of house teams activities so that we can interact with children from different classes and year groups in our house team. We shared some ideas of potential team building ideas that we could do. Watch this space for more information as we continue our plans to unite our school once again...*
