Jubilee Celebrations

What a lovely first week back we've had, finishing off today with celebrating the Queen's Platinum Jubilee.

The Mayor of Biddulph, Mr Garvey, popped in to open the tea party and we also enjoyed a special visit from the ice-cream man!

All children have been given a commemorative pin badge from the PTFA to mark this special occasion.

Transition - Bump Up Day Thursday 16th June

We are currently busily preparing many events to support children in moving up smoothly to the next year group in readiness for September. Whilst this may seem a long way off, it is not too far away in terms of the number of school weeks left!

One transition event takes place next week on Thursday 16th June, with the Year 4 pupils visiting their chosen Middle schools and so to co-ordinate with this, all year groups will visit their new Kingsfield class and teacher for the full day. Parents will be receiving a letter detailing which class their child will be moving to and how the day will run early next week.

Another date for your diary is on Tuesday 5th July for our 'Welcome Meetings'. These meetings allow you to meet the new teaching staff and receive information about your child's new September class. The timings for these meetings are:-

New to Nursery—2.30—3pm in the hall

New to Reception—3.30—4.15 in the hall

New to Y1 and Year 2—4.15—5.00 in the classrooms

New to Y3 and Year 4 - 5.00—5.45pm on the hall

We hope you are able to attend.

A reminder that next Friday 17th June we will be holding our Summer Fayre after school.

To prepare for this event we are looking for volunteers to run stalls on the day and also to prepare for the event prior to it taking place.

If you can spare some time on Monday 13th June to come into school please let the school office know.

Donations

Any donations of party bags would be gratefully received for the hook-a-bag stall.

If children would like to donate any teddies for the teddy raffle stall, we will be sure to find them a new home.

Healthy Sports Week

Week commencing 20th June we are celebrating Healthy Sports week in school.

Children need to come to school wearing their PE kit or sportswear every day as they will be taking part in sporting activities including workshops such as Tag Rugby, Cricket, Football and Netball and the athlete Jayden Paddock is paying us a visit!

Netflix is a subscription -based streaming service that allows users to watch TV shows and movies on any internet-enabled device that supports the software, such as smart TVs, phones and tablets. **Due to Covid there has been a huge increase in children consuming on-demand content as many families have relaxed their screen time rules.** Netflix's diverse range of programming caters for all age groups- so it is important for parents to recognise the potential risks of children using the service and the measures to help their child enjoy a safe streaming experience. The attached guide shares tips on a number of potential risks such as screen addiction, inappropriate content and hacking attempts.

Please talk to children about healthy screen times, contact from strangers on the 'teleparty' feature and remind them what to do if they come across inappropriate material etc. Please see the poster emailed and on the website.

You can find the Families Health and Wellbeing Service Newsletter that has been emailed and is also available on the school website.

It has some useful tips on money saving ideas for families and other useful information to support health and wellbeing for all the family.
