## Last Day of School

A reminder that our last day of school for children to attend is Monday 18th July.

On this day, children can come to school in non-uniform.

## Survey Results

Recently 87 parents/carers along with all staff, children and governors completed a survey providing feedback on the schools performance. Highlights of the survey include that almost 100% of parents stated that their child/ren are happy and pleased with the progress they are making, that behaviour is good and lines of communication are strong.

Following last years survey, we changed our homework offer and the responses this year have been extremely positive. We will, therefore be running homework in the same manner for next year.

Other comments made in the survey included : "Staff want to communicate, smile and get to know my child." My child has always loved school and I think Kingsfield is a big reason for this." Points to take from your feedback will be to ensure all children take on some sort of leadership/monitor role if they wish to. To develop lunchtimes and clubs and to inform you more regularly of what children are learning

Thanks to all for provided feedback for this survey.

## School Meals

As of September the price of school meals in increasing to **£2.50** for children in Nursery, Year 3 and Year 4.

If you think you entitled to benefit-related free school meals you can apply via the Staffordshire County Council website -

# We're using Arbor's free Parent Portal and Arbor App

## We've chosen Arbor to help us manage our school.

Arbor is a simple, smart and cloud-based MIS (Management Information System), which helps us work faster, smarter and more collaboratively as a school. The Arbor App and Parent Portal mean we can keep you informed about your child's life at school in a much more accessible way. Log into Arbor to see and update your child's information, get live updates and make payments or bookings on the go!

The Parent Portal works on Google Chrome (computer or laptop) and you can download the Arbor App from the App Store or Google Play Store on your phone (Android 5.0; iOS 10.0 and upwards).

## How to get started

1. Wait for your welcome email from us telling you Arbor is ready - you won't be able to log in before
2. Click the link in your welcome email to set up your password
3. Go to the App or Google Play Store on your phone and search 'Arbor'
4. Click 'Install' on Android or 'Get' on iPhone then open the App

## Need help using Arbor?

**Contact the school office if you have questions about Arbor, the App or Parent Portal.** Tell us the type and model of your phone, e.g. an iPhone SE, and include screenshots or screen recordings.

To safeguard student data in line with General Data Protection Regulations (GDPR), Arbor only works directly with schools.

### Some tips to try:

1. Ensure your username is the email address you use for Arbor. Ask us to **check the email address** linked to your account.
2. **Reset your password** from the login page, or ask us to do this.
3. If the login email was sent to you more than 96 hours ago, the **password link will have expired**. Ask us to send it again.
4. Ask the school office to check that your email address has not been used twice - e.g. on another guardian or child's profile.
5. **Enter the birthday** of one of your children to log in.
6. Only relatives who are **Primary Guardians** of a child can access the Arbor App. Ask us to check you can access Arbor.
