

*learn together play together succeed together*

# Kingsfield First School

## Welcome to Year 1

Terrific Tigers – Mrs McAulay and Miss Sveikutis

Charming Cheetahs – Mrs Gray and Mrs Rutter

# Transition

- ▶ The Year 1 curriculum builds upon and extends the experiences that children have had in Reception.
- ▶ Learning through play will continue to be an important part of the school day, and the children will gradually be eased into more formal learning as the year goes on.

# Super Sticks

- ▶ To support this transition, the children have 4 challenges to complete during the week.
- ▶ Maths
- ▶ English
- ▶ Handwriting
- ▶ Phonics

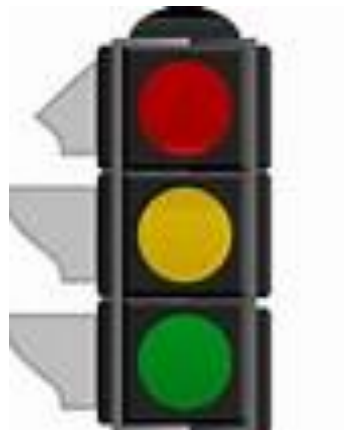

# Topics

- ▶ Our Topics this year are
- ▶ We Are Explorers
- ▶ Blast From the Past
- ▶ Over and Under the Sea

# Behaviour

- ▶ We have a traffic light system that runs throughout the whole school. All children begin on green and move up and down the traffic light depending on the severity of the child's behaviour.

# Homework

We set homework periodically throughout the year.

In addition you need to listen to your child read three times a week, learn the tricky words which are circled in the Home School Links book and practice the phonics sounds sent home.

There are also number bonds to learn which are in the Home School Links Book.

# Reading in Year 1

- ▶ Your child will need to bring your reading book to school every day.
- ▶ Please read regularly with your child. They will have an e-book and a decodable physical book.

# Reading in Year 1

By the end of the year children are expected to:

- ▶ blend and read aloud independently, identifying sounds they have learnt throughout the year.
- ▶ Children should be able to talk about the story and identify the main characters and relating it to their own experiences.
- ▶ Children will read a range of genres and should be able to identify the differences between fiction and non-fiction.

# Phonics

- ▶ Phonics will be taught every day.
- ▶ If there are any specific gaps they may come home with a keyring.
- ▶ They will be tested in June 2023 as far as we know at this point in time. We will run a workshop later in the year.

# Writing in Year 1

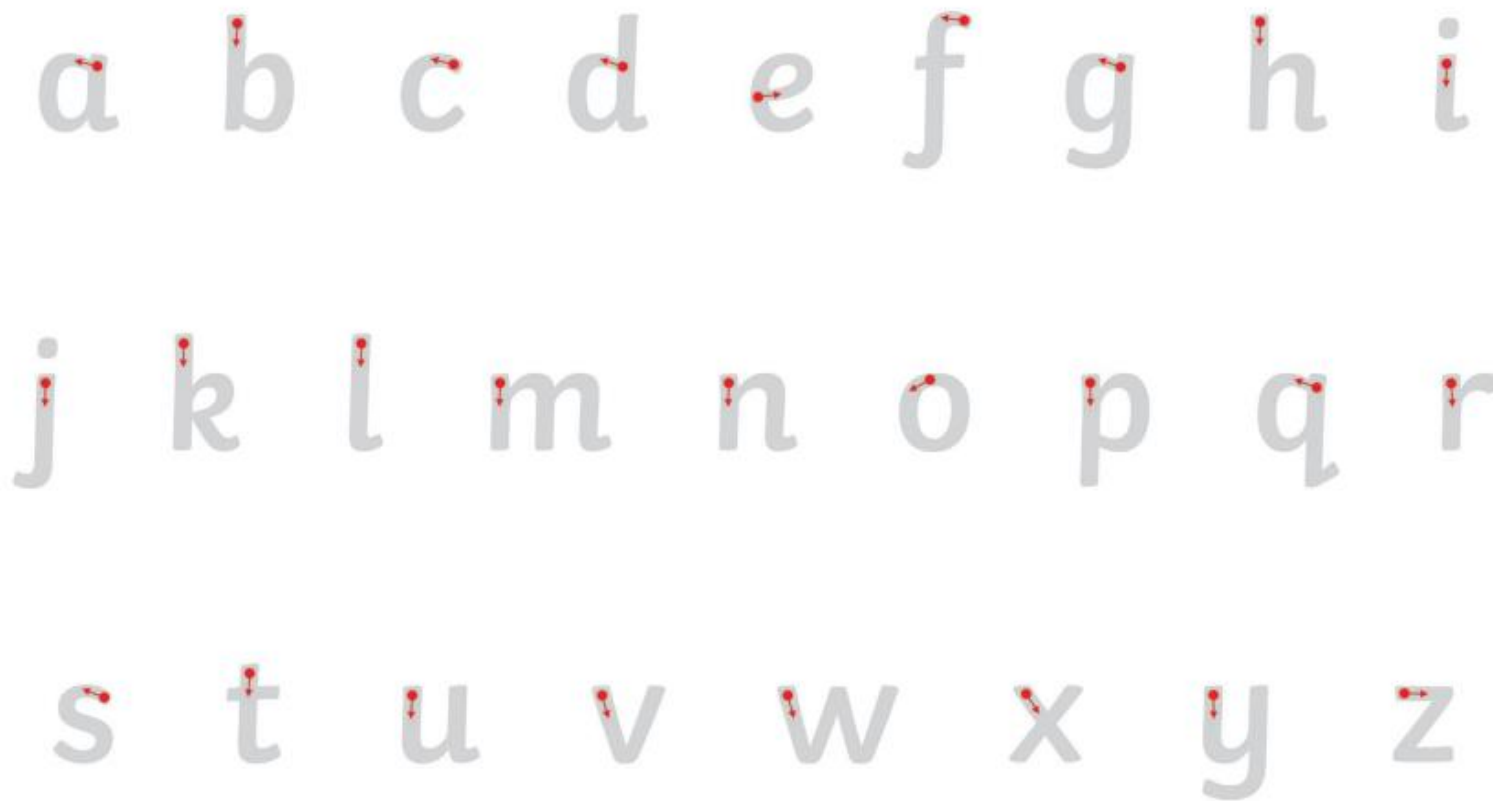

By the end of year 1 children are expected to:

- ▶ Write simple sentences independently.
- ▶ Use capital letters, full stops and finger spaces correctly.
- ▶ Use adjectives and sequence a story.
- ▶ Apply phonics to their spellings and be able to spell tricky words up to phase 5.

# Handwriting

We are changing the way we teach handwriting. Your child no longer needs to flick out at the end of the letter.

# Maths in Year 1

By the end of the year children are expected to:

- ▶ Be confident in adding and subtracting.
- ▶ Count independently in 2's, 5's and 10's.
- ▶ Recognise all 2D and most 3D shapes.
- ▶ Learn to halve and quarter shapes and small quantities.

# Intervention

- If your child requires extra support in any area, no matter their ability, we run small intervention groups throughout the year with an adult in school.

# General Information

- ▶ P.E is on Monday. Please come in your P.E. kit.
- ▶ Please have a named water bottle in school each day.
- ▶ Please ensure all uniform has your child's name in.
- ▶ Please write in your child's blue book when you have listened to them read.

# Explore the Internet

There are lots of free websites with fun maths games.

Try some of these:

- ▶ <https://www.bbc.co.uk/bitesize>
- ▶ <https://www.phonicsplay.co.uk>
- ▶ <https://www.phonicsbloom.com>
