Our Curriculum

We plan our curriculum over 3 termly topics, where key skills are taught to enable children to achieve an end of subject composite task.

Our Topics

Autumn -

London's Burning

Spring -

To Infinity and Beyond!

Summer -

Let's go on holiday!

English

We usually plan English lessons around a story / text. This enables the children to develop narrative skills and explore, develop and then dazzle in their writing.

Non-Fiction Writing, Poetry and other elements are taught over the year.

Maths

We plan from the White Rose Maths scheme, where children work through the following...

C = Concrete (using apparatus)

P = Pictorial (drawing)

A = Abstract (written methods)

Then develop reasoning skills.

Reading (Little Wandle)

What will come home with your child and what will the communication about reading look like?

They will read 3 times a week in small groups of no more than 6. The book they read will be sent home as an e-Book to share and show off! This will be sent via Evidence -Me and will have a commentary of what they covered and learnt that week.

A decodable book of a similar level will be sent home and a library book to share. These 2 books will be changed on a set day, once a week every 6 weeks, the end of each half term – class teachers will check in with the physical book band going home and change if necessary.

They will also respond to the home reading that has taken place. 1-1 reading and teacher comments will not be as frequent, they will be every 6 weeks.

Once your child has become a fluent reader and no longer requires to receive Little Wandle they will have the following reading provision:

Guided reading once every 2 weeks (recorded on Evidence Me)

1-1 reading once every 2 weeks (recorded in home school links book)

ERICA (Everybody Reading In Class Altogether)

Library book weekly

School book band book (changed as required by children).

Spelling & Phonics

Children still needing Little Wandle, will complete daily sessions. Those children working above Little Wandle, will complete a 20 minute daily spelling and phonics session to further support and develop reading and spelling.

Times Tables

Times Tables is a key maths skill and prepares children for the Year 4 Multiplication Check - please refer to your child's home school link book for further information.
