## EYFS - KS2

## Art: Five Areas of the Curriculum

### Range of Materials

To use a range of materials creatively to design and make products.

### Ideas, Experiences and Imagination

To develop and share their ideas, experiences and imagination.

### Art and Design Techniques

*Drawing, Painting, Collage, Printing and Sculpture*

**KS1:** To develop a wide range of art and design techniques in using colour, pattern, texture, line, shape, form and space.

**KS2:** To improve their mastery of art and design techniques, including drawing, painting and sculpture with a range of materials.

### Range of Artists, Craft Makers and Designers

**KS1:** To learn about the work of a range of artists, craft makers and designers, describing the differences and similarities between different practices and disciplines, and making links to their own work.

**KS2:** To learn about great artists, architects and designers in history.

### Sketchbooks

To create sketch books to record their observations and use them to review and revisit ideas.

Range of Materials					
EYFS		Key Stage 1		Key Stage 2	
<div>LEARNING PROGRESSION</div>					
<p>Explore different materials freely, in order to develop their ideas about how to use them and what to make. <b>3-4 years EAD</b></p> <p>Develop their own ideas and then decide which materials to use to express them. <b>3-4 years EAD</b></p> <p>Join different materials and explore different textures. <b>3-4 years EAD</b></p>	<p>Return to and build on their previous learning, refining ideas and developing their ability to represent them. <b>Reception EAD</b></p> <p>Explore, use and refine a variety of artistic effects to express their ideas and feelings. <b>Reception EAD</b></p> <p>Share their creations, explaining the process they have used. <b>Creating with Materials ELG</b></p>	<p>I can explore a range of mediums and discover the range of effects when designing and making a product.</p> <p>I can investigate and experiment with different materials and how they can be adapted.</p> <p>I can follow and create simple processes to make my own artwork, explaining the techniques I have used.</p>	<p>I can investigate different methods of designing; including drawing and decide on methods, materials and processes.</p> <p>I can use a range of mediums to design artwork and decide on a preference.</p> <p>I can choose from a range of artistic processes and techniques and justify my choices.</p>	<p>I can compare and contrast different mediums and materials and describe their effects.</p> <p>I can confidently use a variety of mediums with an increasing level of skill. I know that I can use sketching as a precursor to other artwork.</p>	<p>I can make informed choices about the mediums or materials that I want to use and why, justifying my choices with explanations.</p> <p>I can begin to purposely mix mediums to create a chosen effect.</p> <p>I can use sketching to help me plot out my intended final piece of artwork.</p>

Ideas, Experiences and Imagination					
EYFS		Key Stage 1		Key Stage 2	
<div>LEARNING PROGRESSION</div>					
<p>Create closed shapes with continuous lines, and begin to use these shapes to represent objects. <b>3-4 years EAD</b></p> <p>Explore colour and colour-mixing. <b>3-4 years EAD</b></p> <p>Draw with increasing complexity and detail, such as representing a face with a circle and including details. <b>3-4 years EAD</b></p> <p>Show different emotions in their drawings and paintings, like happiness, sadness, fear etc. <b>3-4 years EAD</b></p> <p>Use drawing to represent ideas like movement or loud noises. <b>3-4 years EAD</b></p> <p>Use large-muscle movements to wave flags and streamers, paint and make marks. <b>3-4 Years PD</b></p>	<p>Explore, use and refine a variety of artistic effects to express their ideas and feelings. <b>Reception EAD</b></p> <p>Share their creations, explaining the process they have used. <b>Creating with Materials ELG</b></p> <p>Develop their small motor skills so that they can use a range of tools competently, safely and confidently. Suggested tools: pencils for drawing and writing, paintbrushes, scissors. <b>Reception PD</b></p> <p>Fine Motor Skills: Use a range of small tools, including scissors, paintbrushes and cutlery. Begin to show accuracy and care when drawing. <b>Creating with Materials ELG</b></p>	<p>I can share ideas about what art is and where it can be found.</p> <p>I can work as part of a group to create a piece of art and also create artwork independently.</p> <p>I can create representations of real-life objects using a range of shapes.</p> <p>I know that we can use art to design things, record observations, tell stories and express thought and feelings to others.</p>	<p>I can observe different artists and begin to identify possible inspiration behind the artist's work.</p> <p>I am beginning to create art individually and collaboratively, sharing ideas for design, technique and use of materials.</p> <p>I can confidently use a range of shapes within my artwork to realistically represent objects.</p> <p>I can draw from imagination, observation and memory to design things, record observations, tell stories and express thought and feelings to others.</p>	<p>I can identify artist's possible inspiration and begin to identify recurring themes across artists' work.</p> <p>I can plan, design and make art individually and collaboratively, sharing ideas for design, technique and use of materials.</p> <p>I can break down my drawings into component shapes to help me draw accurately.</p> <p>I am developing my ability and understanding of drawing from imagination, observation and memory to design things, record observations, tell stories and express thought and feelings to others.</p>	<p>I can compare and contrast artists and begin to identify common or contrasting themes, mediums or techniques.</p> <p>I can confidently plan, design and make art individually and collaboratively, sharing ideas for design, technique and use of materials, making reference to art/artists that I know.</p> <p>I can adapt the style of my art to reflect my ideas, experiences and imagination.</p> <p>I can refine my drawings from imagination, observation and memory to design things, record observations, tell stories and express thought and feelings to others.</p>

DRAWING	That the closer to the point that I hold my pencil the more control I have.	That colours can be mixed and when it is mixed it changes.	I can hold and use a range of drawing tools such as pencils, crayons, pens and chalk with some dexterity and control to investigate marks.	I can use graded pencils to explore shade on a gradient.	I can experiment with an extended variety of drawing tools. (Graded pencils, rubbers, crayons, pastels, felt tips, chalk, charcoal, chalk etc.)	I can draw for a sustained period of time.
	How to hold a pencil using two fingers and a thumb, beginning to move away from a whole hand grasp.	How to explore by mixing colours.	I can draw lines of different thickness.	I can select a pencil based on its label (2B, 6B etc.) for a purpose.	I can understand that objects can be three dimensional and can draw from different viewpoints (above, below, front, back)	I am beginning to use pen and ink to draw.
	That when I create lines that join, I can create a space.	That the closer to the point that I hold my pencil the more control I have.	I can use line and shapes to represent objects seen, remembered or imagined.	I can experiment with creating a range of textures using a variety of different marks/lines/rubber	I can apply tone in a drawing in a simple way. (Shadow from 3D object)	I can develop skills of hatching and cross hatching to explore 3D work.
	That spaces created can form shapes.	How to hold a pencil using two fingers and a thumb, with increasing control.	I can investigate tone by creating light and dark shades with a pencil.	I can create both large and small-scale observational drawings of natural or man-made objects.	I can experiment and create surface textures.	I can draw in proportion.
	That shapes can be used to represent objects.					I can further develop my use of light/dark tones/textures/shadows within my drawing to create a realistic representation.
	How to draw lines to create space.					
	How to use space to create shapes.					
	How to add detail to my drawings e.g. adding features to a face.					
	What the different emotions are and how to show them through my art work.					
	How to represent ideas such as movement and loud noises through Art.					

Art and Design Techniques						
EYFS		Key Stage 1		Key Stage 2		
<div>LEARNING PROGRESSION</div>						
PAINTING	That there are different tools that can be used in Art. The names of some of the different tools that can be used in Art (particularly when painting) e.g. brush, finger, cotton buds, sticks. That the tools used in Art can come in different sizes. How to describe the tools used in Art e.g. big/small. How to use the different Art tools when painting e.g. how to paint with your finger compared to the use of a brush. That when I create lines that join, I can create a space. That spaces created can form shapes. That shapes can be used to represent objects. How to draw lines to create space. How to use space to create shapes. What the different emotions are and how to show them through my art work.	That there are wider range of simple tools that can be used when painting e.g. brush, cotton bud, finger, stick etc. How to use these tools to paint. How to change work where necessary. That using different techniques can make paint look like different textures. How to use techniques to make paint look like different textures.	I can hold a brush correctly and clean it before changing colours. I can use a variety of painting tools including brushes, sponges, cotton buds etc. for effect. I can name the 3 primary colours. I am beginning to mix primary colours to make secondary colours. I can create different textures with my painting tool e.g. dabbing, smoothing, washing, stippling etc.	I can name different types of paint. I can add different materials to paint to produce different textural effects e.g. water, sand, glitter, sawdust, plaster, glue etc. I can use white and black paint to create tones of colours (tint and shade). I can use a wider range of brushes with a purpose: different sizes, different types. I can use colours with a purpose to create realistic paintings.	I can identify colours needed in my artwork and effectively mix different tones of secondary colours for a purpose. I can experiment different ways to apply paint to a surface e.g. splashing, scratching, dotting, blowing, layering etc. I can use different types of brushes for specific purposes	I can select which type paint to use, justifying my choices. I can match and mix primary and secondary colours to make tertiary colours effectively. I am beginning to understand that a colour wheel can be used to find complimentary, harmonious, contrasting and monochromatic colour combinations. I can understand how artists use warm and cool colour to express a mood in their work, I can experiment with effects and textures that I can create using paint and use these with intent in my work.

EYFS		Key Stage 1		Key Stage 2		
LEARNING PROGRESSION 						
COLLAGE	That materials can feel different to others.	That materials and the way that they look can be changed.	I know what the definition of collage is.	I can sort and group materials for different purposes in different ways/ shapes, i.e. texture, colour, triangles etc.	I can select and arrange materials for a striking effect when creating collage.	I can select and arrange materials/ textures/colours for a purpose and justify my choices.
	How to describe how the material feels e.g. rough, smooth, bumpy, soft, hard.	That tools can be used to shape and join materials.	I can experiment with pleating, cutting and folding paper and thin card to understand the difference between 2D and 3D.	I can experiment with a range of media (paper, magazines, fabric, photocopies, crepe paper) to create different effects.	I can select and arrange materials/ textures/colours for a purpose.	I can confidently manipulate materials to create an intended texture or effect.
	How to make a choice on which material to use.	How to shape materials using scissors with support.	I can learn how to make collage pictures by cutting, tearing and sticking varied papers and materials to a background.	I am beginning to experiment with texture by folding, crumpling, tearing and overlapping materials.	I can experiment with a range of techniques such as cutting, tearing, overlapping, folding, crumpling, tearing, fraying and layering to create images.	I can experiment with creating mood, feeling, movement and areas of interest using different media.
	That tools can be used when working with fabric e.g. scissors.	How to join materials using tools with support.	I can identify how to cut shapes accurately from paper and thin card.			I can select and arrange materials to convey feelings, expression and movement when creating collage.
	How to hold scissors with support.	How to plan what I would like a material to look like.	I can cut different kinds of line, e.g. straight, curved, jagged.			
	How to make snips in materials using scissors.	How to manipulate materials e.g. squash, squeeze, scrunch, stretch, bend, snap, twist, roll, pull, flatten.				
	How to share and discuss my work.	How to change materials by adding other mediums e.g. painting them.				
		That materials and the way that they feel can be changed.				
		How to add mediums to materials to give them a different texture e.g. glue can be added to make something that was rough become smooth.

EYFS		Key Stage 1		Key Stage 2	
<div>LEARNING PROGRESSION</div>					
PRINTING	I know that to print I need to add paint and pressure to an object on a flat surface.	I can find out how to print by loading an object with paint and applying it to a surface	I understand that the purpose of printmaking is to create multiple images and patterns.	I can learn how to use polystyrene when designing and creating print.	I can design and build more intricate/ detailed repeated patterns.
	I know how to print using paint.				
	I know that I can print using a range of colours.	I can print with a range of hard and soft materials, e.g. corks, domino, pen lid, sponge, flower, feather, fruits/ vegetables etc.	I can mimic print from the environment (e.g. wallpapers).	I can refine my mono-printing techniques by making controlled marks/patterns/ motifs.	I can master printing techniques of using layers of colour and repeating patterns.
	I know how to print using a colour that is fit for purpose.		I can make mono prints by spreading paint.		
	I know that different materials can be used to print.	I can create a mono print using polystyrene.	I can experiment with a variety of objects to create a print, e.g. press, roll, rub, and stamp to make prints.	I can replicate more detailed patterns from the world around me (e.g. patterned fabrics/wallpaper)	
	I know how to print using a limited selection of different materials.	I can print simple repeating patterns.

<div>LEARNING PROGRESSION</div>						
SCULPTURE	That there are different materials that I can use to build with.	That there are different techniques that I can use when working with materials. e.g. cutting, tearing.	I can manipulate malleable materials in a variety of ways including rolling, cutting, pinching and kneading.	I can manipulate malleable materials in a variety of ways to achieve a desired effect.	I can select and arrange materials for a striking effect when creating sculpture.	I am beginning experiment with changing the surface texture of a malleable material by impressing and carving.
	The names of the different materials that I can build with.	That there are different tools that I can use to shape materials.	I can manipulate and model materials to represent my idea.	I can manipulate and model materials accurately to represent my idea.	I can select and arrange 3D materials to convey feelings, expression and movement when creating sculpture.	I can join clay using a slip. (e.g. handles)
	That there are different ways that I can build - using the vocabulary of stack, up, across and next to.	How to shape the materials that I am using.	I can use my hands to create different textures and shapes.	I can use a variety of different tools to create different textures and shapes.	I can use clay to create a simple functional form such as a pinch pot.	I can adapt work as and when necessary and justify my choices.
	How to use materials to build/create spaces.	How to join materials together.	I can explore the different effects that I can make.	I can create a 3D sculpture using clay.		I can use clay to create a simple functional form such as a coil pot.
	How to join materials together.	That by shaping and joining the materials together I am making the model balance/ more secure				
	That by joining the materials together I am making the model balance/more secure.					

## Range of Artists, Craft Makers and Designers

### Key Stage 1

### Key Stage 2

### LEARNING PROGRESSION

I know the names of some artists and can talk about their work describing how it makes me feel and whether I like it.

I can mimic a piece of art in the style of an artist I have studied.

I can identify a technique or medium that an artist has used.

I can discuss and describe the work of notable artists, artisans and designers and begin to recognise different techniques within their work including drawing, collage, painting, use of ICT etc.

I can use some of the studied artists to create art in the style of their works, copying techniques to reproduce the art work.

I can recognise artistic techniques and use a wider range of artistic terminology to describe an artist's work

I can look at and talk about a larger array of artist's work and can study a piece to make comments on the techniques used.

I can replicate some of the techniques used by notable artists, artisans and designers.

I can begin to use a wider range of artistic terms/vocabulary to describe when studying an artist's work.

I can look at and talk about the work of artists who use different mediums and identify what techniques may have been used.

I can create original pieces that are influenced by the studies of notable artists, artisans and designers.

I can recognise features of key artistic terms/vocabulary (harmony, contrast, abstract etc.) when studying an artist's work.
