Biddulph Town Council and partners are working to offer warm friendly spaces and free food opportunities, creating a network of places where Biddulph people can come together to try new things and seek support or advice.

The timetable shows what's available in the town. All groups offer a friendly welcome, with safeguarding policies and food hygiene rules in place.

There are also many volunteering opportunities available, and all groups would welcome your support. Volunteering can help you learn new skills, meet new people, gain confidence, build relationships and make a difference. Skills and knowledge you acquire could also help you move towards paid employment. There is lots of information about local groups and services here: <https://www.biddulph.co.uk/biddulph-directory/> or you can collect a paper copy of the Biddulph Directory from Biddulph Town Hall.

Biddulph Town Hall is a warm space; you are very welcome to join us.
