Safeguarding

As a school it is important we hold the most up to date details on you and your child.

We need you to access Arbor to check your details are correct , we are making sure every child has at least 2 contacts, this is a requirement of KCSIE (Keeping Children Safe in Education). Also without them we may not have the correct details to contact parents in the case of an emergency. Medical information held also needs to be updated in order for us to complete new care plans and also ensure staff are well informed and trained to treat and managed any current medical needs of our pupils.

Thank you to everyone who has already logged in to Arbor Parent Portal and checked your details.

Today I have sent login details to all those who have not yet accessed Arbor, please follow the instructions on the email , any problems please contact the school office.

This years Children in Need will be on Friday 18th November. To raise money for this amazing charity, the school council have decided to host a 'yellow and spots day' where the children can donate £1 to come to school wearing anything yellow or spotted. There will be a JustGiving page on the school website for your donations.

We are going on the trip on Thursday 17th November. It is just for the morning, a bus will collect us and drive us down and bring us back just in time for lunch! Whilst we are there we will go and explore the nature park, make and create leaf kebabs, leaf and tree rubbings and creating a class nature rainbow! To warm and fill our bellies we will be paying a visit to the hideaway café to have a little hot chocolate and a piece of flapjack!

The cost of this trip will be £5 per child. A trip payment link is now available via parent pay. This is also where you will consent to your child going on this little trip.
