Dear Parents/Carers and Young Musicians

We're looking forward to this Saturday's (4th February) Moorlands Music Centre rehearsal at Blythe Bridge High School (ST11 9PW). 9am for our choir (open to any budding singers age 7-18) and 9.45-11.45am for our instrumental groups. We have ensembles for all levels/abilities so we do hope that your aspiring young instrumentalists will come and join us. Attendance and membership of Moorlands Music Centre is completely free of charge. Email dan.hollingshurst@entrust-music.co.uk for more information. MMC meets once or twice a month on Saturday mornings.

On Saturday afternoon (also 4th February), we are hosting a Vocal Workshop open to both children aged 6-18. The session starts at 1pm and it's taking place at the Bridge Centre, Birches Head, Stoke-on-Trent, ST2 8DD. The session will welcome singers from across North Staffordshire and is part of a series of workshops taking place across the county this term. I really encourage you to come along and take part...no previous experience is needed and the session will focus on fun and participation. The children's/young people's vocal workshop is FREE to attend. Please register to attend here: <https://forms.office.com/r/vxzEUg3DkA>.

Please come and join us!

Contact dan.hollingshurst@entrust-music.co.uk if you have any questions.

Health e-leaflet

The Families' Health and Wellbeing (0-19) Service is the local Health Visiting and School Nursing service. They offer support to schools and parents of children aged 0 to 19 years around lots of health related topics to help children.

Please follow the link to an e-leaflet, which introduces your local School Nurses and shares some development and health information which parents/carers of reception aged children may find useful.

<https://sway.office.com/FCGZ3RAoqHhKP5JE?ref=Link>

The e-leaflet also contains a link to a contact form. This form is confidential, which means the answers you give will be returned to the Families' Health and Wellbeing Service and will not be shared with our school.

The Families' Health and Wellbeing Service can also be contacted through the Children and Families Health and Wellbeing Single Point of Access (CaFSPA), often referred to as the Hub, or their ChatHealth (text) services.
