Maths Day 23rd March

We enjoyed an assembly all about maths and talked about how we use maths daily and is all around us when we look. During the assembly we enjoyed a maths game together and all agreed that maths is so much fun. Enjoy playing the maths monkey game and the challenge that has been set. Don't forget Years 2, 3 and 4 to play on TTrackstars and I'll be checking to see who is the best maths rock star!

Parent Workshop

This week our school's mental health practitioner, Beate, delivered sleep workshops to some of our pupils and parents. Both workshops were extremely insightful and everyone took away some great knowledge and tips on why sleep is so important and how to get a good night sleep! If you are interested in finding out more about the workshops, please visit our school website under Key information, SEND, Parent workshops.

Our Year 2 children and parents had a great afternoon at Forest School on Thursday!

This week Terrific Tigers have been on a walk around the local area to practise their map skills in Geography. They drew a route on a map to follow and looked out for signs of spring. The children noticed buds and daffodils starting to grow. They also spotted lots of different evergreen and deciduous trees which they have learnt about in Science.
