Non Uniform Day

Friday 21st July will be a non uniform day for all pupils!
Year 4 pupils are more than welcome to bring in an old shirt to be signed by their friends.

Parent Survey

Recently 62 parents/carers along with staff, children & governors completed a survey providing feedback on the school's performance. Highlights of the survey included that almost 100% of parents stated that their children like school, are happy and pleased with the progress they are making. Parents also tell us that behaviour is good and that the welfare arrangements are supportive.

To quote some parents views:-

"My child enjoys school, thank you for making it a place where they feel safe, listened to and can be themselves."

"Communication is effective and staff are very friendly and approachable. There are a huge variety of learning platforms with a range of subjects and activities. Pupils are also supported well."

Points to take from your feedback include looking at how improvements can be made with communication, the after-school Kool Kids provision and the levels of pupil engagement during assemblies.

Many, many thanks for those parents who took the time to provide this valuable feedback. Working together with parents is key to overall improvements moving forwards.

Farewells

Next week we will be waving goodbye to some of our part time members of staff, Mrs Donnellan, Mrs Jackson and Mrs Griffiths. Many thanks for all your hard work over the year and best wishes for the future.

Kool Kids Notice

On Friday 21st July (last day of term) Kool Kids will close at 5:00pm.

Our MAT finance team have procured yet another great service for our schools and their families. After comparing different photography companies for cost and quality we are pleased to say we have secured a contract with Academy Photography who we believe offer the best value for money for parents. Thank you to our finance team for spending time on this project to ensure we chose the best deal for our families.

Medical Diets

Special Diets Registration

At Edwards and Ward, we take great pride in our special diets process and continually strive to make it as simple and inclusive as possible to help us ensure that all children can be fed safely and effectively.

If your child is at primary school and requires a special diet due to a diagnosed allergy, intolerance or medical condition, you will need to register with us.

Even if you have already registered with the school or a previous catering provider, you still need to register with us as your details cannot be shared.

Our special diets registration form can be found on our website along with a full list of FAQs .
edwardsandward.co.uk/special-diets/

If your child has medical dietary requirements and is not registered with us, we may be unable to provide them a school lunch.

If there are any concerns about this, please contact our Special Diets Team for advice.
