

### Key Stage 1 Maths Overview

	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8	Week 9	Week 10	Week 11	Week 12
Autumn Year 1	Place Value (within 10)					Addition and Subtraction (within 10)					Shape	Consolidate
Autumn Year 2	Place Value				Addition and Subtraction					Shape		
Spring Year 1	Place Value (within 20)			Addition and Subtraction (within 20)			Length and Height		Place Value (within 50)		Mass and Volume	
Spring Year 2	Multiplication and Division						Length and Height		Time		Mass and Capacity	
Summer Year 1	Multiplication and Division			Fractions		Position and Direction	Place Value (within 100)		Money	Time		Consolidate
Summer Year 2	Temperature	Stats (part 1)	Position and Direction (part 1)	Fractions		Money		Stats (part 2)	Position and Direction (part 2)	Consolidation		

Rationale – Experience of Year 2 staff led to adding an additional week to multiplication and division. Both statistics and position and direction were split into 2 teaching blocks in case of potential end of key stage assessments ensuring coverage. This can be amended if they are carried out at a later date to normal or not at all. Money was moved from the Spring to Summer term due to the focus of multiplication and division and so that both year groups would be working on number at the same time. Year 1 place value to 50 and length and height were swapped to allow both year groups to be teaching length and height at the same time.
