### A message from Mrs Hodson...

We have continued to be super busy at Kingsfield this week. Our Year 4 children were fantastic role models at the tag rugby competition at Woodhouse this week-we are very proud of their fantastic sporting attitudes. We've also had a maths and a reading workshop and an early years open morning to name just a few!

Today we have had a whole school theme day to celebrate all things Kingsfield. This has included work around geography, history and art to be displayed in a whole school display. I am looking forward to learning more about our fabulous school from the learning that has taken place. Sticking with the celebrating theme, we were very excited to share our Ofsted report with you last week. A few quotes from the report and a link to the full report can be found on a spotlight this week.

We hope you all have a wonderful weekend, from Mrs Hodson, Ozzy, Elvis and all at Team Kingsfield.

# This week our spotlight is on our new Head Boy and Girl!

Our school council had a very tough decision to make this week, as they shortlisted and interviewed our Head Boy and Girl candidates.

Well done to all our applicants and to all our children that were interviewed. We are so very proud of you all!

## Meet our Head Boy and Girl...

I would like to be a role model for everyone at Kingsfield—Lucie

I am proud to be a student at Kingsfield and it would be an honour to be Head Boy- Reggie

# We are a GOOD school!

'Kingsfield is a happy school with a family feel. This is an inclusive school where pupils' well-being is a high priority'

'Children in the early years learn to follow routines, listen carefully and behave well. This continues as pupils move through the school. Relationships between staff and pupils are very positive.'

'Staff get to know every pupil and take into account their individual needs. As a result of this, pupils enjoy school and achieve well.'
