

Kingsfield's

NEWSLETTER

A message from Mrs Hodson...

We have been seeing red at Kingsfield today, but in a good way, as we have been raising money for Comic Relief by wearing red. Thank you if you have already made a donation for this fabulous cause, if not, the link can be found on our Facebook page and Arbor.

In other news, our Pupil Forum representatives visited Springhead today with the other Forum members from across the CFLP. The agenda for today's meeting was to discuss lunchtimes and how we can make them even better-watch this space for some new ideas that we have in mind!

Our Standon Bowers celebration evening was a great success, it was lovely to hear stories and share the photographs from their adventures, thank you to everyone that attended.

Thank you to everyone that attended our PTFA meeting, we are very excited to tell you that we will be hosting a Family Bingo Night after Easter. Please see our Facebook page and Arbor for more information.

We hope you all have a lovely weekend from Mrs Hodson, Ozzy, Elvis and all at Team Kingsfield.

Our school meal prices will rise to £2.95 for children in Nursery and KS2 that pay for their meals.

The Nursery Wraparound Fee will rise to £15.24

If you can see it, you can be it!

This year we are going to be having our first ever Careers Week at Kingsfield (w/c 1st July). We would like to invite our friends and families to come in to school to discuss with our children, their jobs and how they got to be in their careers. This could be in an assembly or in the classroom if you would prefer. Our aim is to raise the aspirations of our children and promote the belief 'if you can see it, you can be it!' If you would like to be involved please contact our school office on: office.kng@cflptrust.co.uk for more information.

School Matters!

Attend Today, Achieve Tomorrow

Next week we are on week 2 of our lunch menu

Our whole school attendance target is 96%. This week, our school attendance was: **95.4%**

House Points

Mars	408
Earth	404
Saturn	548
Jupiter	289

This week we are shining
our spotlight on Science
Week...

This week we have been celebrating Science Week at Kingsfield. The focus this year is TIME so we have been looking at both short and longer periods of time. Nursery have made wind socks, Reception made sand timers, KS1 made season wheels and water timers and KS2 played out the lifecycle of a frog with actions! We have had a fantastic week and we can't wait for next year!
