### A message from Mrs Hodson...

We have had another fantastic week at Kingsfield this week. Today we say a fond fare well to Miss Grindey, one of our lunchtime supervisors. We would like to say a huge thank you for all her hard work at Kingsfield and we wish her all the best in her new venture. Next week we also say goodbye to Mrs Carr from the Super Squirrels, as she prepares to have her baby. We send lots of love to her and her family. Mrs Donnellan will return to Kingsfield to teach the Super Squirrels on Mondays. We are very excited to be hosting the Pram to Primary course led by Carol Middleton, a Family Hub Coach. The course will run on Tuesdays from 9-12 for 6 weeks, starting from next Tuesday, 23rd April. This free, adult only course offers the opportunity to discuss and gain advice on your child's development and behaviours in a friendly and supportive group. To book your place please email [office.kng@cflptrust.co.uk](mailto:office.kng@cflptrust.co.uk). We hope you all have a lovely weekend, from Mrs Hodson, Ozzy, Elvis and all at Team Kingsfield.

### PSHRE Policy Review

Our PSHRE policy has been reviewed. PSHRE lessons are taught using the 3D PSHE scheme in Key Stage 1 and 2 and through Development Matters in EYFS. This covers all of the statutory requirements of 'Relationships and Health Education (RHE)' and is a fundamental part of the curriculum.

Schools must consult with stakeholders to ensure that there is a general consensus on our approaches to our policy.

**We are asking parents/ carers to read the updated policy, which can be found on the curriculum page under PSHRE on the school website.**

Please email any questions or comments, by the 30th April to:  
[office.kng@cflptrust.co.uk](mailto:office.kng@cflptrust.co.uk)

Meet our Kool Kids staff...

Miss Angell, Mr Bailey and Mrs Teaton

By the time the afternoon session starts, children will already have had a very busy day of learning and fun, so the emphasis for Kool Kids is to provide a relaxed atmosphere for this to continue into the early evening. Activities in Kool Kids are fun and engaging for children, there is always an element of child choice. There will be opportunities for children to work quietly e.g. completing homework or enjoying a good book, as well as opportunities for more practical, hands on activities e.g. outdoor or creative activities. Children will be able to access IT equipment and the school library.
