Parent Survey Open!

As we near the end of the academic year, we're taking time to reflect on the progress and successes we've shared as a school community. Your perspective is incredibly important to us, and we'd love to hear your thoughts. We've created a short survey to gather your feedback on what has worked well this year and to help us identify priorities for the year ahead. Your input will play a key role in shaping our plans and ensuring we continue to provide the best possible experience for our children and families. Please take a few minutes to complete the survey by Monday, 9th June. <https://forms.office.com/e/RXQBUzQmF3> Thank you for your continued support and partnership.

Operation Encompass

Our school participates in a national scheme called 'Operation Encompass' which is a joint partnership between Staffordshire Police and schools. One of the principles of Operation Encompass is that all incidents of domestic abuse are shared with schools, not just those where an offence can be identified. This system has been established to help schools provide in-school support to children who have been present at, exposed to, or involved in any domestic abuse incident. We know that children can be significantly harmed, physically and/or emotionally during these situations, and that it also negatively affects their learning & behaviour. Therefore, as part of the Operation Encompass procedure the school receives an email from Staffordshire Police the morning after a child has been witness to, or involved in any recorded domestic abuse incident. We are then able to use this information to provide the right support to any child and their family as and when they need it.

All our DSLs have recently updated their knowledge and understanding in this safeguarding area by completing the new national **Operation Encompass Training**.

Staff Training, Key Documents and Policies

We have updated our safeguarding tab on our website with lots of information to support you as parents and carers. Please feel free to signpost friends and family to the tab too if they would find any of the resources and materials supportive and useful: [Safeguarding - Kingsfield First School | Biddulph | Staffordshire](#)

During the year our Designated Safeguarding Leads have kept their safeguarding knowledge and experience up to date with a range of Level 3 courses including; Domestic Abuse, Parental Conflict and Child Sexual Abuse.

All staff take part in weekly safeguarding briefings to keep their knowledge and understanding up to date too.

We have reviewed various safeguarding policies during the spring and summer terms. These include:

- Social Media Policy
- Behaviour Policy
- Anti-Bullying Policy which includes our Child-Friendly Anti-Bullying Policy
- E-Safety Policy
- Looked After Children Policy

This Week our Spotlight is on Safeguarding...

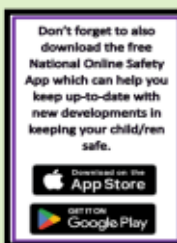

Working together to keep our children safe...

At Kingsfield First School safeguarding is at the heart of everything we do. We believe that every child has the right to feel safe, valued, and supported—both in school and beyond. As part of our ongoing commitment to child protection, we want to keep you informed and involved in how we work together to ensure the wellbeing of all our pupils.

How you can help at home...

Parents and carers play a vital role in safeguarding. Here are a few ways you can support your child's safety and wellbeing:

- **Talk regularly:** Create a safe space for open conversations about feelings, friendships, and online activity.
- **Stay informed:** Know what apps and games your child is using and set appropriate boundaries. Check privacy settings on your child's devices and social media accounts. Make sure they know not to share personal information with people they don't know in real life.
- **Be alert:** If something doesn't feel right—whether it's a change in behaviour or something your child says—trust your instincts and reach out to school staff.

In March Staffordshire County Council developed the Young Person's Mental Health (YPMH) section within the Staffordshire Health App Finder - a free digital tool that young people can use directly to find expert-reviewed mental health apps. These free apps can help young people look after their mental health with simple tools to manage stress, handle emotions, and learn more about mental health. Please click the link to find out more.

Need support or have concerns?

If you ever have a concern about a child's safety or wellbeing, please don't hesitate to contact our Designated Safeguarding Leads in school - Mrs Hodson, Mrs Nesbitt, Mrs Cheetham and Miss Mohring. All concerns are taken seriously and handled with care and confidentiality.

Together, we can create a safe, nurturing environment where every child can thrive.

HELP EARN FREE BOOKS

Scholastic is one of the largest providers of free books to schools via our Reward scheme which helps to ensure that as many children as possible have access to books that support reading for pleasure. Every time you buy from the Book Fair, you help to make a difference by supporting literacy in your child's setting. Last year, with your help, we gave over £5.3M worth of free books to schools nationwide, which stocked school libraries and classrooms.

*Free books are subject to terms and conditions. Please contact your Book Fair Organiser or Scholastic Book Fairs for details.
All books subject to availability. Book range may vary. Warning: Not suitable for children under 3. Small parts.
