A message from Mrs Hodson...

As we approach the end of term, the penultimate week at Kingsfield has been packed with exciting activities and memorable moments. A huge thank you goes to Miss Teed, Miss Ferns, and Miss Stubbs for organising an incredible Careers Week. Our children were inspired by a wide range of visitors, including a potter, a lollipop lady, and members of the police force—just to name a few! These workshops sparked curiosity and opened young minds to the many possibilities their futures could hold—reinforcing our belief; 'If you can see it, you can be it!'

Well done to our Year 2's who represented Kingsfield brilliantly at the Multi Skills Festival. Their enthusiasm, teamwork, and determination made us all proud! We'd also like to thank all the families who attended our Welcome to Meetings. These sessions are a valuable opportunity to share key information and help ensure a smooth and confident start to the next academic year. Please see Arbor for the presentations, if you were unable to attend.

A special mention must go to our Year 4 Leavers, who truly shone in their final performance. Their 'Out of this World' concert had us laughing, crying, and everything in between—it was a heartfelt celebration of their journey at Kingsfield and a wonderful send-off.

Finally, today our KS2 children had the pleasure of attending the Festival of Brilliant at Biddulph Old Hall. This literacy festival celebrated local authors and illustrators, and our pupils were captivated by the stories, creativity, and inspiration shared throughout the day.

We hope you have a wonderful weekend, From Mrs Hodson, Ozzy, Elvis and all at Team Kingsfield.

Arbor and Parent Pay

As we approach the end of the school year, please could we politely request that all balances for school lunches, trips, Nursery Wrap Around Care and Kool Kids are cleared on your ParentPay accounts as soon as possible. Sadly this year, we had nearly £900 of unpaid debts, which directly impacts our children and the resources and opportunities that we can provide—thank you for your cooperation and understanding.

Please could we also ask you to check that the details we hold on Arbor are correct and up-to-date. Thank you so much.

Noticeboard...

Parents can enable push notifications when installing the Parent App on their phone, which means they'll be notified when they've been sent a new in-app message (whether they're logged in or not).

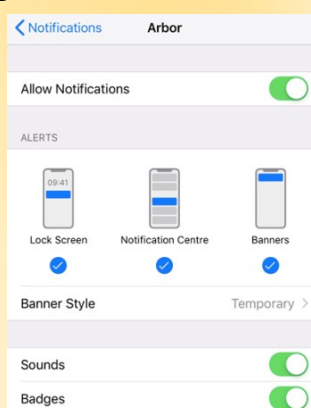

Sometimes, parents may stop receiving push notifications to their phones. Even though they may have enabled push notifications on their phones, iOS devices occasionally block push notifications if the phone is receiving a lot of them.

If they do stop receiving messages, they can complete the below steps to enable them again:

Close the Parent App (make sure that it's not running at the background - see [this video](#) on how to do this)

1. Go to your settings and switch OFF push notifications for the Parent App.
2. Restart your phone.
3. Go to the settings and switch ON push notification for the Parent App.
4. Restart your phone again.
5. You should then be able to receive push notifications again.
